

„In-Region Scholarship Programme“ Central America

Call for Scholarship Applications 2022

For Master studies of Economic Policies for Central American and Caribbean Countries at the University National of Costa Rica (UNA), Costa Rica

Funded by the Federal Ministry for
Economic Cooperation and Development (BMZ)

Application closing date at Economic Policies for Central American and
Caribbean Countries: 15/09/2021

Application closing date at portal DAAD: 03/10/2021

Programme Objectives

The programme aims at fostering strong, internationally oriented higher education systems in Central America with the capacity to contribute to sustainable development. To this end, scholarships are granted for development-related Master or doctoral studies for individuals who plan to pursue a career in teaching and / or research at a higher education institution in Central America.

By training future academic and professional leaders, the programme contributes to the following **long-term impacts**:

- Qualified professionals' involvement in the solution of development-related problems in Central America
- Graduates strengthening education and research in Central America
- Structural strengthening and regional networking of partner institutions and partner universities

To achieve these long term impacts, the following outcomes have been formulated as programme objectives:

Programme objective 1: Graduates have qualified to take over responsible positions in or for their regions of origin

Programme objective 2: The participation of women and underprivileged groups is reinforced

Programme objective 3: Organizational, financial and personal capacities of partner institutions are strengthened

As part of the „In-Region Scholarship Programme“ DAAD offers scholarships for Master studies. The programme is funded by the German Federal Ministry of Economic Cooperation and Development (BMZ) and aims at university staff in the first line, without neglecting the public sector's demand of academically trained personnel.

The target group for scholarships are graduates from Central American countries and the Dominican Republic with a first academic degree who want to pursue Master studies in a Central American country (**In-Region scholarships**).

Application requirements

Applicants

- have successfully completed a Bachelor's degree with above average results (upper fourth of class)
- clearly show motivation and strong commitment
- have thorough knowledge of the language of instruction
- have completed their last university degree not more than 6 years ago at the time of application
- must be nationals or permanent residents (5 years) of a country in Central America (except Costa Rica and Panama) or the Dominican Republic.
- should generally be a) staff member of a public university, b) candidate considered for teaching or research staff recruitment, c) from the public sector
